SWISS INSTITUTE OF STEEL CONSTRUCTION

To the National Delegates and Award Winners of the ECCS

Zurich, June 17, 2003 Wy/GI

ECCS Annual Meeting in Lucerne, Switzerland September 17 – 19, 2003

Dear Sir, Madam

This year, the plenary assembly of the ECCS will be held in Lucerne. As meeting place and accommodation, we have opted for the outstanding HOTEL SCHWEIZERHOF in Lucerne. We look forward to welcoming you from September 17 to 19 to the famous and attractive city of Lucerne, in the heart of Switzerland.

Enclosed please find the programme, the registration form and a hotel brochure.

On behalf of the Swiss Institute of Steel Construction, we are pleased to invite you to join, on September 17, a Banquet to be held while cruising on the lake of Lucerne on board of the steamboat named "STADT LUZERN".

To the men, we would like to mention already now: if you are a gentleman, sportsman, gourmet, bon viveur and on the whole a connoisseur of the special taste, then Lucerne and in particular the Hotel Schweizerhof is the right place for you and your lady to stay.

Please pay special attention and without any delay to the following:

1. The enclosed registration form should be completed and sent to your national association not later than **July 15, 2003**.
Your hotel reservation will be handled by us. The price indicated is based on special negotiations and is valid also if you arrive earlier and stay longer following the ECCS meeting. You will pay your hotel bill directly to the hotel at the end of your stay.
2. For the amounts added up on your registration form, we will send you an invoice payable to the Swiss Institute of Steel Construction.

In Lucerne, you will receive your name badge, vouchers for the various events according to your registration as well as the documents for the meeting.

Delegates who do not wish to participate in the meetings are of course welcome to attend the Accompanying Persons Programmes at paying EURO 150 as well.

If you have any questions, do not hesitate to contact either the undersigned, or Mrs Evelyn Frisch or Cathy Glünkin at the address mentioned below.

Please be so kind as to return your registration to your National Association preferably by return of mail, but not later than by **July 15, 2003**, in order to enable us to make all necessary arrangements.

We are confident that you will enjoy attending this important event and look forward to your registration. Bear in mind: "The stranger who visits Lucerne leaves the city as a friend"

Yours sincerely,

Swiss Institute of Steel Construction
