

14th ICMS 2021
Poznań, Poland

14th International Conference on Metal Structures 16-18 June 2021, Poznań, Poland

INVITATION

to the 14th International Conference on Metal Structures ICMS'2021

which will be held online on June 16-18, 2021

The Committee for Civil Engineering
of the Polish Academy of Sciences, Section of Metal
Structures and Poznan University of Technology

have the privilege to invite

6 plenary papers

Leopold Sokol (France), Katarzyna Rzeszut (Poland): *Selected aspects of designing of the cold-rolled steel structures*

Luís Simões da Silva (Portugal): *Steel structures in fire*

Leroy Gardner (Great Britain): *Stainless steel*

Jean-François Demonceau (Belgium): *Design of beam-to-column steel-concrete composite joints: from Eurocodes and beyond*

Aleksander Kozłowski (Poland): *Testing, modeling and design of bolted joints – effect of size on structural properties integrity and robustness*

Chiara Bedon (Italy): *Glass facades under extreme events*

70 papers presented by specialists from 13 countries

advanced analysis and direct methods of design, cold-formed elements and structures, composite structures, engineering structures, joints and connections, stability, robustness and resistance, fire engineering

REGISTRATION FOR PARTICIPANTS WITHOUT AN ARTICLE

- three days: 125 €

- selected one day: 50 €

Registration: <http://icms2021.put.poznan.pl/registration/>
